ST. NORBERT HIGH SCHOOL
WEST DE PERE, WISCONSIN

ARGOS

Mike,

We sure had some great times this year. Especially in physics class. It was a miracle that we made it.

Make sure to stop by La Porte on your way to Notre Dame. You'll be a sight for sore eyes.

Best of everything, always and may the Kadiddlehoppers live on,

Bob Clemens "57"

Mike,

Best wishes to a real outstanding senior. Remember me to Notre Dame + when things get a little tough, there's an 18 hole course behind the campus. God bless you always.

Robert K. Finnigan O.Praem.

Mike,

I hope that the "facts" you learned about T.R. were not too depressing. Let's face it! He made a botch of everything.

My sincere advice, Mike, is not original. The fundamental rule is still in vogue: "Stay close to God" and all will go well.

Yours in St. Norbert,

Fr. Ullrang, O. Praem.

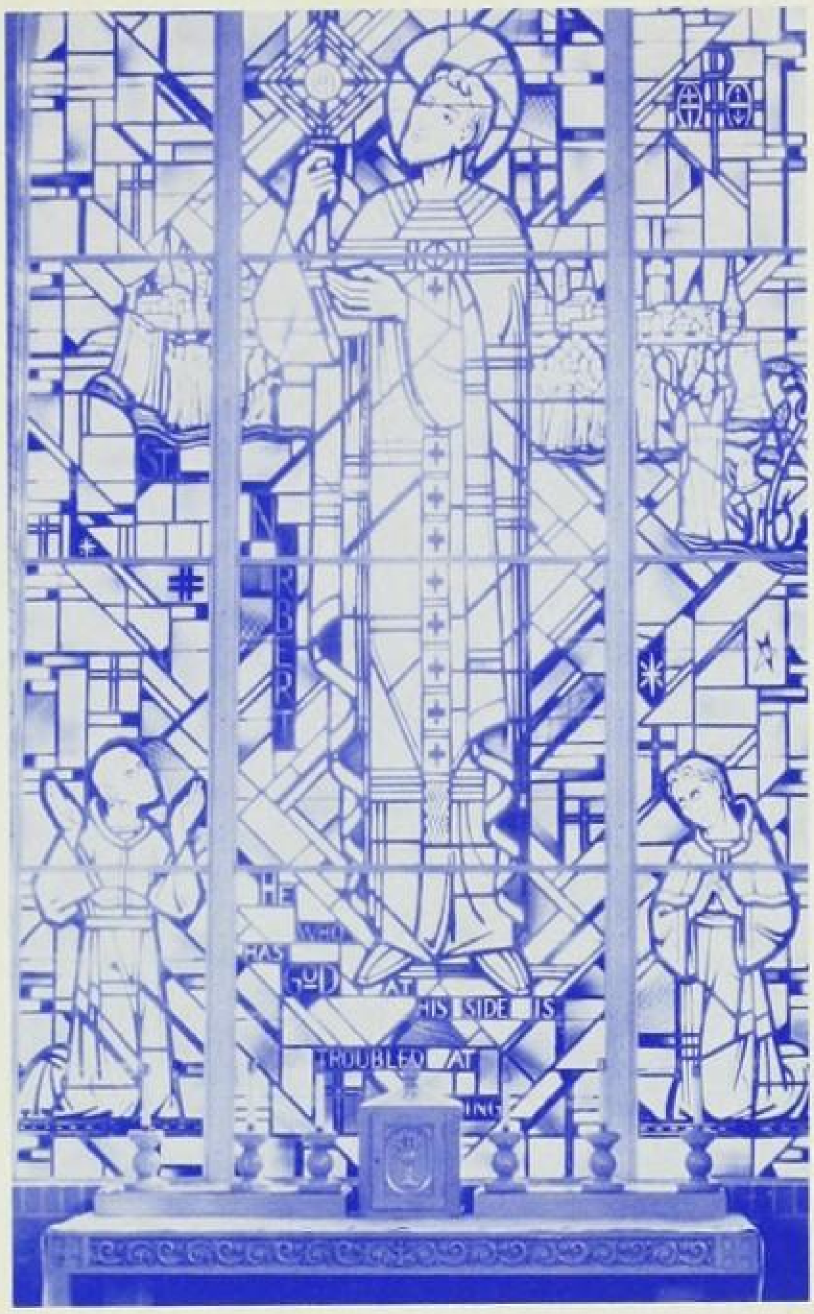
Still can't see how we didn't get kicked out of English at least once this year. Hope you have fun this summer. I'll be seeing you at least a few times. I still say you've been sticking with only the second best.

Tony Mugna 57

Dear "Jan-man"

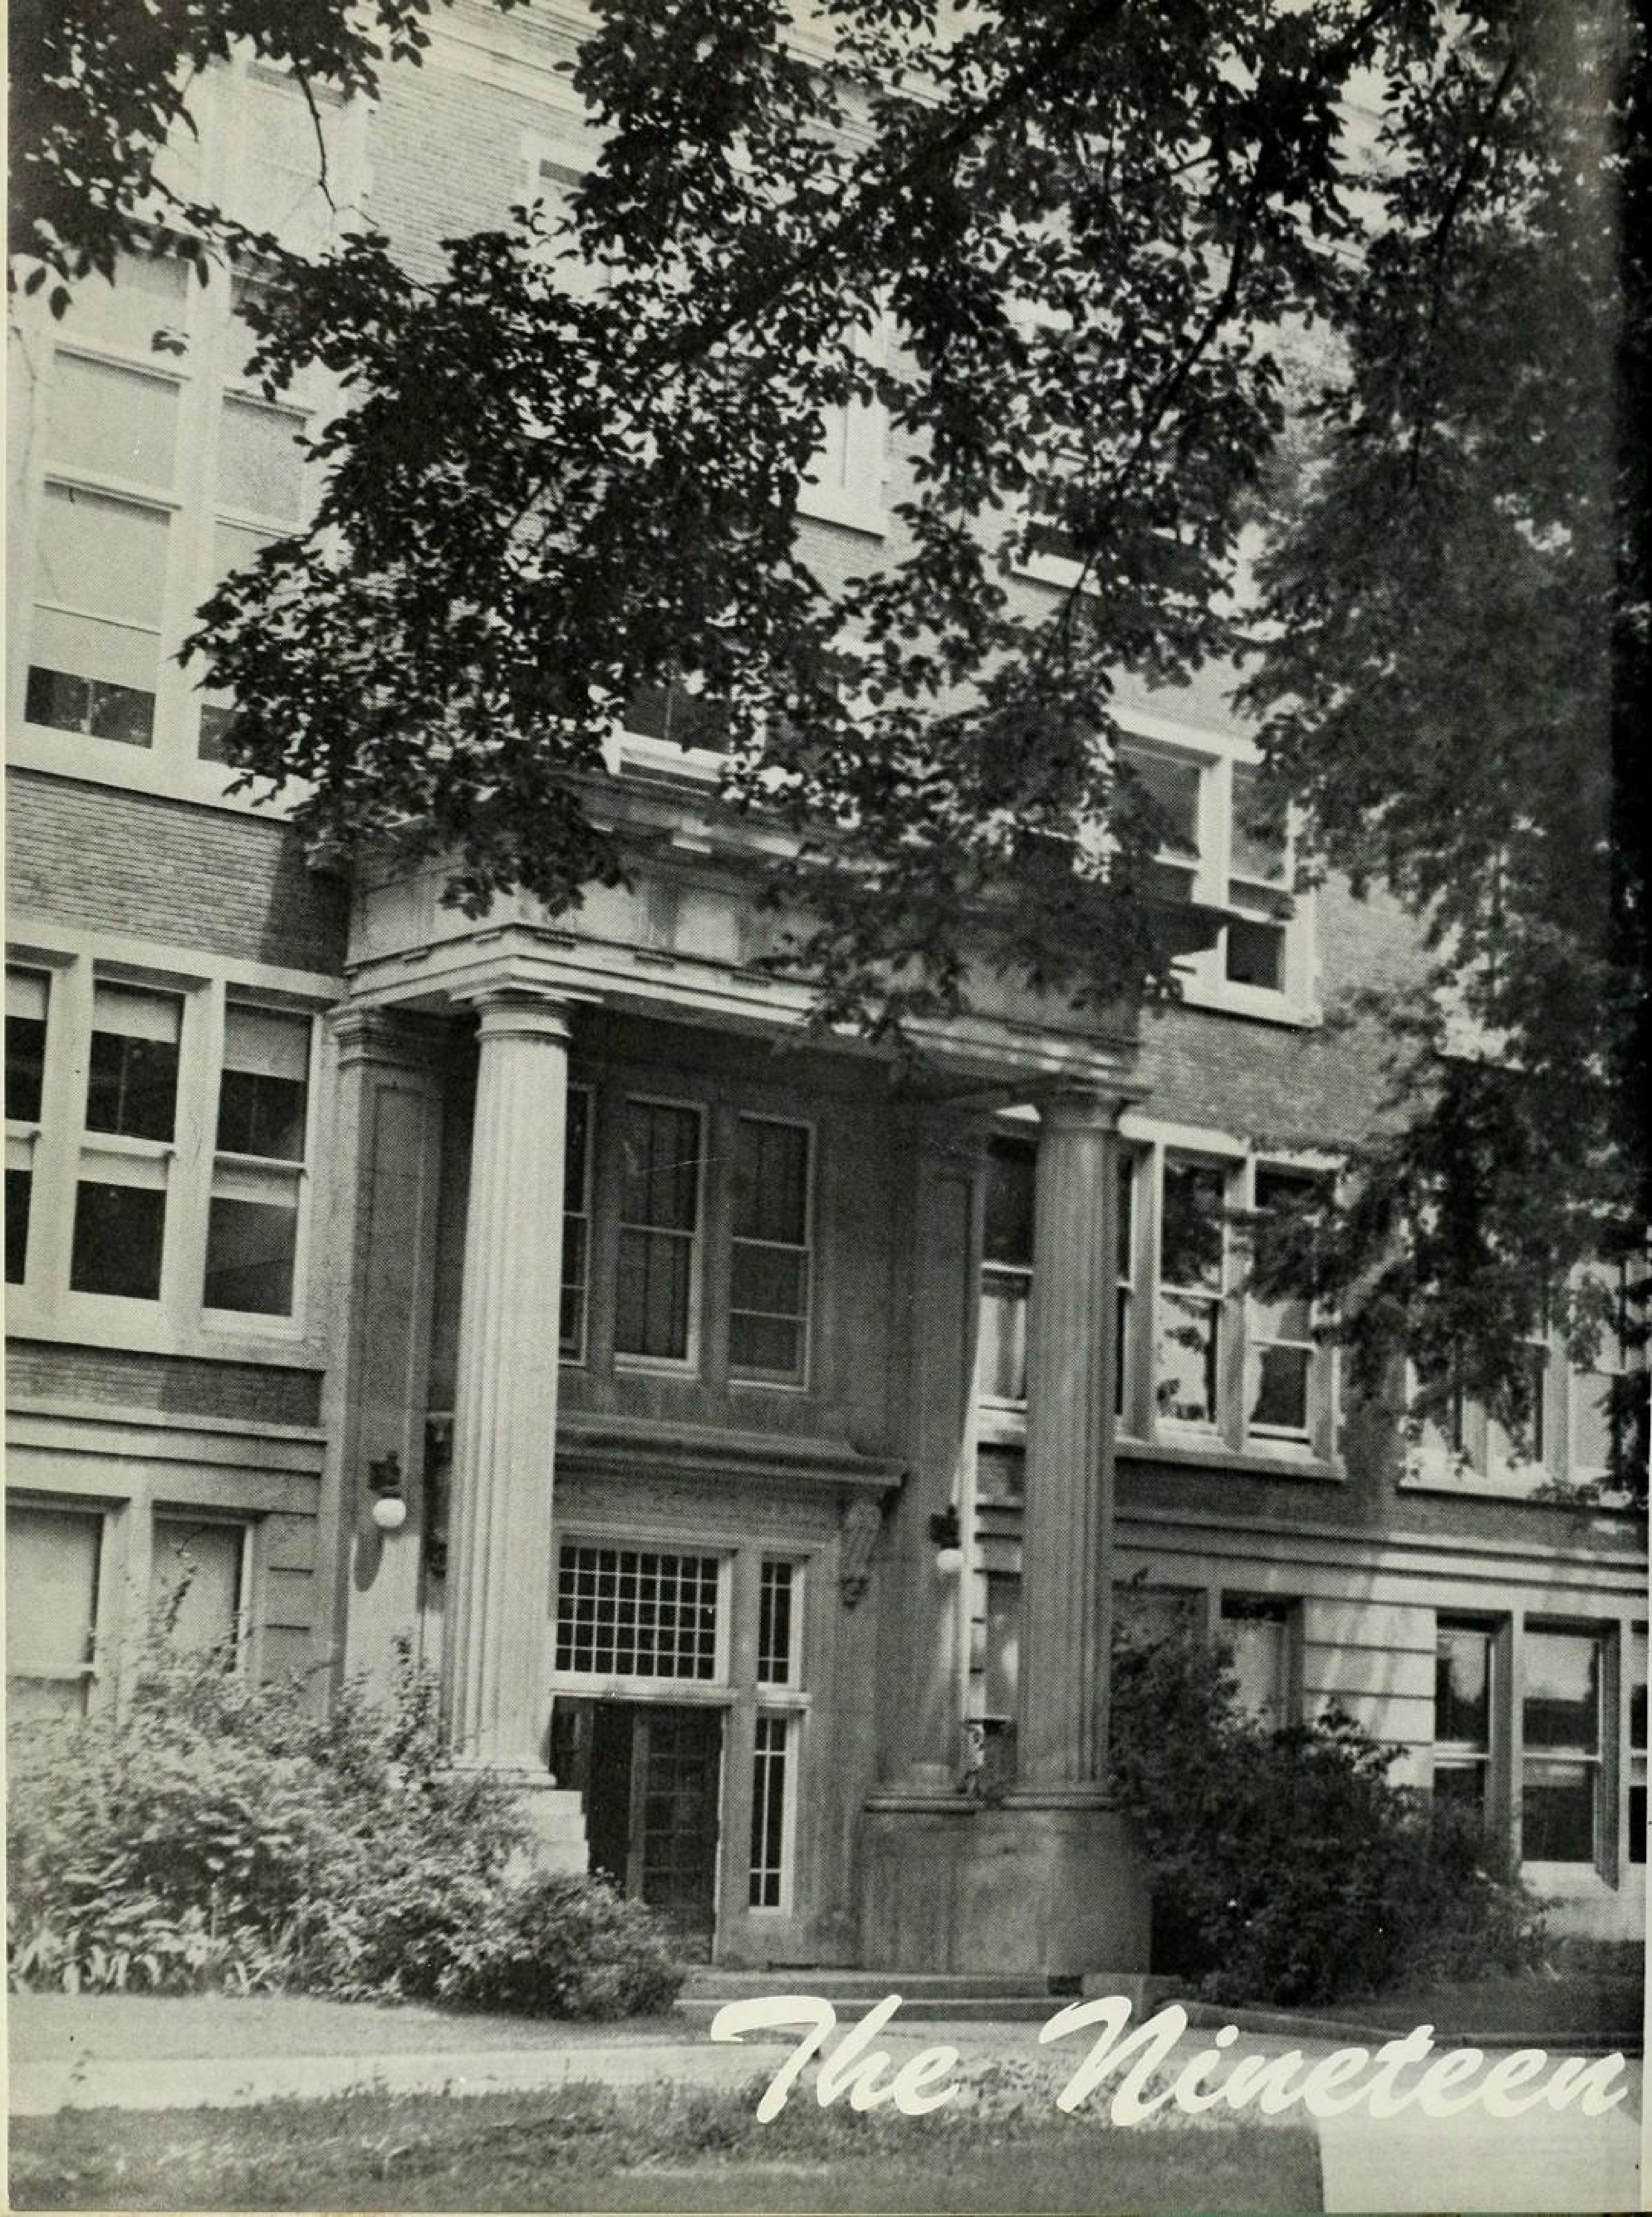
Don't kill yourself next fall. I can just see you pining away for Jordan Rd. as you sit in your little cell in Forley Hall. Oh, well --- That's the breaks. Yours for bigger and better hotels and smaller Montanas.

Dick



The proper and immediate end of Christian education is to cooperate with divine grace in forming the true and perfect Christian, that is, to form Christ Himself in those regenerated by baptism, according to the emphatic expression of the apostle: "My little children, of whom I am in labor again, until Christ be formed in you" (Gal. 4:19). For the true Christian must live a supernatural life in Christ: "Christ who is your life" (Col. 3:4), and display it in all his actions: "That the life also of Jesus may be made manifest in our mortal flesh" (II Cor. 4:10).

Pope Pius XI



The Nineteen

Volume Fifteen
St. Norbert High School

Fifty-Seven Argos

Foreword

This year the Argos has been dedicated to youth. We have done this to give a view of American youth, through the students here at St. Norbert High. All must realize the importance of youth. For from the youth of today, will come the leaders of tomorrow.

In this volume of the Argos, we have tried to depict those things which we feel will always want to be recalled from time to time by you. It is our hope that we have been successful in this attempt.

We would like to thank His Excellency, Bishop Sheen, for his gracious permission to use a portion of his book, *Way to Happiness*, to give his opinion on youth.

The Argos staff would also like to extend their congratulations to the Seniors and wish them success in their chosen fields. And we hope they bring into these fields a true Christian way of life. They can become the best examples of a good Christian education, whose faith is their greatest possession.

Anthony Migas

Youth

The Youth of Today ...
The Leaders of Tomorrow ...

YOUTH AT ST. NORBERT HIGH: 1. The main social event of the year, the Junior Class Prom; 2. Sports, pitcher Bob Clemens scores as the Squires defeat Preble; 3. Religion, the opportunity for weekly confession gives spiritual refreshment; 4. Education, a crown of glory—graduation from St. Norbert High.

BISHOP FULTON J. SHEEN SPEAKS TO YOUTH . . .

What Americans call "teen-agers," or adolescents, covers that period midway between springtime and summer. As what happens to the trees and the blossoms during March determines the fruit, so the experiences of teen-agers help mould their maturity. Some youths, like some fruits, ripen too soon, and others never seem to ripen, but there are others who fulfill the best aspirations of an older generation.

The psychology of teen-agers is as important as it is interesting. The three dominant characteristics are: interiority, imitation and restlessness.

Interiority: A trait often missed because of the energy of youth is its consciousness of solitude and its sense of aloofness born of the realization that a kind of barrier is thrown up between itself and the world. Boys try sometimes to overcome this barrier by shaving before their time, thus leaping the wall between adolescence and manhood. Gestures are clumsy, uneasy, ungraceful; arms seem too long and always in the way; words have little value for exchange purposes with adults in establishing contact with the grown world. There are more images than ideas in the interior world, which may account in part for the inability to establish raport with others. Sometimes this very ineptitude increases interiority and drives the youth back into himself. Because exterior actions do not always give release to the inner world, the teen-ager often has recourse to an inner world of images where he has an interior adventure, picturing himself as a hero on a football field. Movies are popular because they are a good feeder for such day dreams and hopes. The general picture, however, is of one who has suddenly arrived at a growing interior depth but, not knowing its value, expresses himself badly.

Imitation: There is a profound philosophical reason for imitation. The ego is under the imperative need of emerging from itself as a chrysalis; the interior is bursting to affirm itself in personality. Imitation becomes a substitute for originality; originality commits the youth to effort, labor, pain, perseverance and sometimes the scorn of others; but imitation gives one the needed exteriorization through a kind of social conformism. Locked up in itself, youth must emerge. Since it is harder to be oneself, and at that age one does not quite know what is oneself, it becomes a hero-worshipper; hence the fan clubs, fanaticism for players of percussion instruments, the idolizing of some so-called movie star.

That is why in the high school age one finds very few who ever dress outside of the pattern set by a few. The creative minority in adult life is few; therefore the youth must not be taken to task for imitation. This mimicry could be dangerous if what was idolized were low; but it can be also one of the ennobling influences of youth if those who are imitated are noble, good and patriotic. Youth imitates because it wants to create and creation marks the end of interiority in a constructive way.

Restlessness: Perhaps a better description of restlessness would be a mercurial affection. There is extreme mobility in youth, due to the multitude of impressions which flood the soul. Life is multiple; there is little harmony because of the great variety of appeals from the external world. Hence the appeal of certain youths of a certain type of jitterbug music; it provides a muscular outlet for sense energy which has not yet been rationalized. Because of this agitation, it is difficult for a youth to fix his attention on any one object; perseverance in study is hard; the impulsions of the moment solicit with a loud voice. This could end in delinquency if the activity never found a target. But at the same time, like the other characteristics, it can also be the salvation of the youth, for he is really running around the circumference of human experience in order to decide on which particular segment he will settle for life; he tours the world of professions, avocations and positions and then decides in which he will repose. Once this energy becomes canalized, focused and rationalized, it becomes the beginning of a life's work and an adolescent begins to be what God intended him to be—a man who in loving virtue knows how to love a woman, a friend and his country.

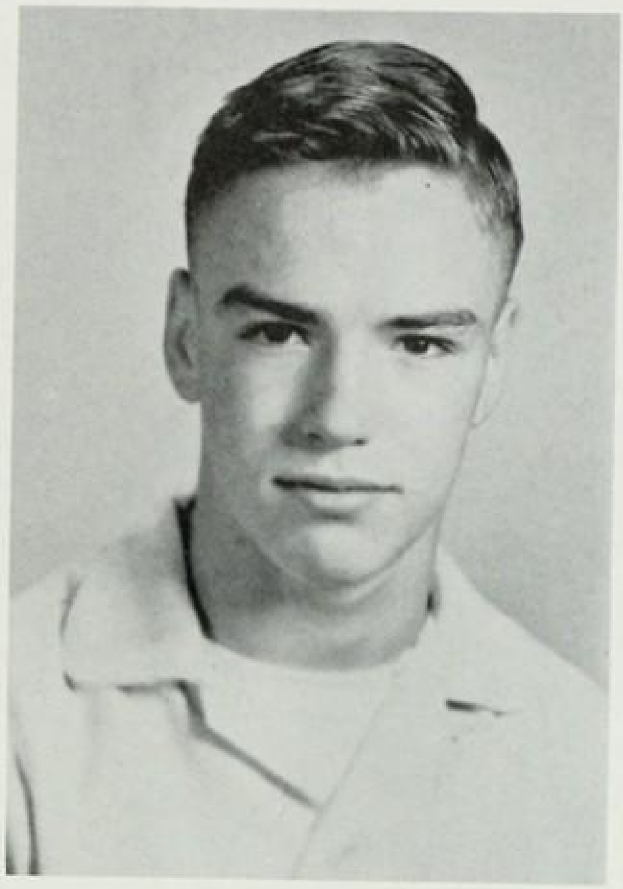
JOHN AMBROSE
January 16, 1940—*July* 8, 1956



THOMAS BERKEN
August 16, 1939—*July* 8, 1956

In Memoriam

Just a little over a month before school started last September, John Ambrose and Tom Berken were killed in an auto accident. Those who knew them well were greatly shocked; all were stunned. Both John and Tom had pleasant personalities. Their athletic abilities had made them known better than the average freshman. We, the faculty and students of St. Norbert High, pray that Almighty God, in His infinite mercy, may grant them eternal rest.

The death of John and Tom has a lesson for all of us. We can see very vividly the shortness of life. It does not matter how long we live, but how we live. It is frequently said that to die well, one must live well. We must live at all times so that we are ready to meet our Creator at any moment. A Catholic should frequently pray for the grace of a happy death.

Si gets off to the races and another TD against Sturgeon Bay.

Get off my back!

STURGEON BAY

The St. Norbert Squires opened their grid season by blasting the Clippers from Sturgeon Bay by the score of 41-6. The team as a whole gained 407 yards and for the most part had things their own way throughout the game. On the first play of the game Jim Brady went 49 yards for a touchdown, and then a little later he staged a repeat performance by dashing 33 yards to paydirt. Early in the second quarter quarterback Gary Simoens tallied from 10 yards out and the half ended with the Squires in front by a 19-0 count. The second half was just the same as the first. Brady again counted on a 26-yard scamper in the third period and added the point himself. They then annexed a safety by virtue of a bad Clipper pass from center which rolled out of the Sturgeon Bay end zone. Just before the end of the period, Tony Migas tallied from 32 yards out to make the third period score 35-0. The Clippers got their only score of the game in the final quarter against the Squire reserves. The final score of the game was put on the board by Tom Vande Loo of the Squires as he went around end for 56 yards and the TD.

ASSUMPTION

The Squires of St. Norbert took their second victory of the year at the expense of Assumption High School of Wisconsin Rapids. Playing on Assumption's home field, the Squires had little trouble as they scored three times in the first half and breezed to a 27-6 victory. The Junior Knights' first score came on a one-yard plunge by quarterback Gary Simoens, following a blocked punt by Bob Moran. The next time they got their hands on the ball they again scored, with Simoens crossing the goal from 20 yards out. Just before the half Clare McQuestion picked off an enemy pass and blasted to the Assumption 30. A screen pass moved the ball to the 13 and Simoens carried into paydirt, making the halftime score 20-0. Both teams tallied once in the second half, with Hank Jacoby scoring for the Squires and Pat Getzin for Assumption, as the home team moved 68 yards in the waning moments of the game. Jim Brady notched three out of four extra points for the victors.

LOURDES

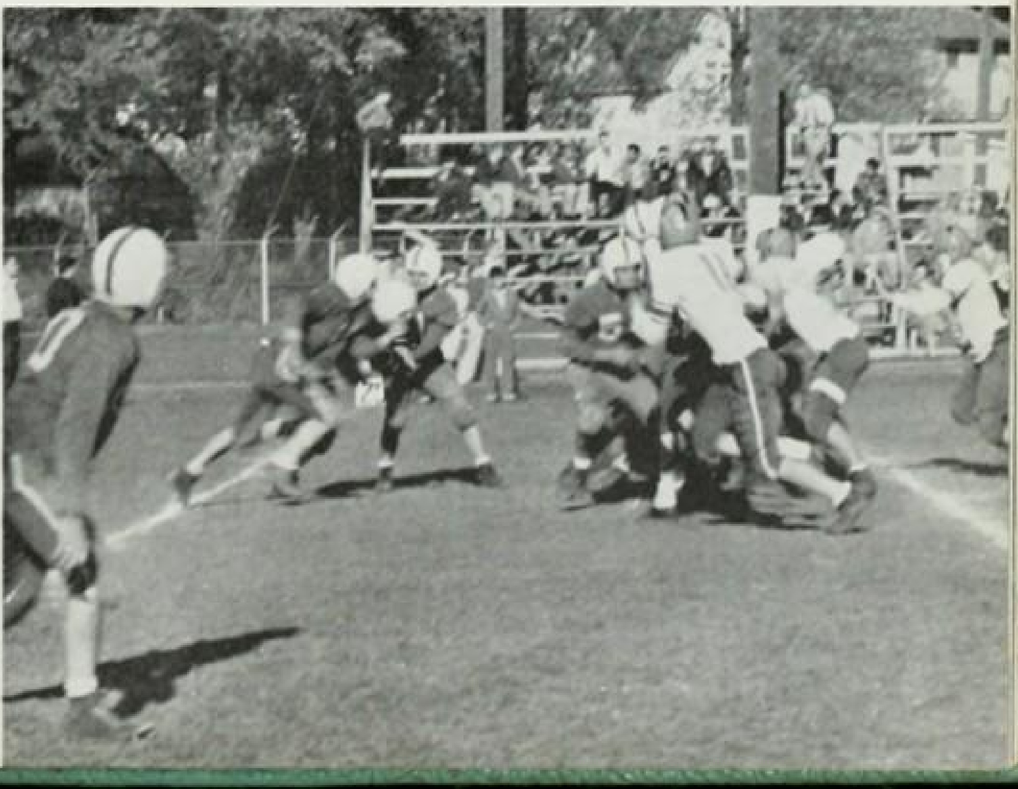
St. Norbert annexed its first FRVCC victory by trouncing the Shamrocks of Lourdes. The game was played in Marinette and rain fell continuously throughout the game. The rain plus smoke from a nearby plant gave the field a Southern California touch. The Squires counted early in the game and went on to win easily. Early in the first quarter Ed Poplawski recovered a Lourdes fumble on the opponent's 33 and on the first play, Jim Brady fought his way through the smoke, mud, and opposing players for the first score, with Clare McQuestion adding the extra point. On the next series of downs the men from DePere took over the ball on the Shamrocks' 33 as the result of a poor punt. After a 5-yard penalty, Simoens skirted his end for the score. In the second quarter the Green and White pushed over another tally, with Simoens sloshing over from 51 yards out; Brady added the extra point. The Squires drove 59 yards for the score with Simoens again splashing across after a short 10-yard dash. The remainder of the game was played on even terms as Coach Fred Dillon filled his line-up with reserves.

ST. MARY SPRINGS

For three quarters, the Junior Knights had their share of trouble at Fond du Lac, with a fired-up Springs eleven. Going into the final stanza, the Squires were carefully nursing a narrow 7-0 lead. They then proceeded to erupt, scoring 20 points, turning the game into a rout. Within six brief minutes, the men in Green wreaked havoc on the Ledgers' defense, scoring three touchdowns. The Squires took the opening kickoff and marched 67 yards in 14 plays. Simoens squeezed over from the one and Brady added the point. From that point until the fatal fourth quarter, the game was virtually stagnant. With the final period only ten seconds old, Don Dahlke picked off an errant St. Mary pass and rumbled 42 yards into the promised land. A little later, the Squires regained the ball and drove for a third TD; Simoens racing over from 26 yards out. The final tally came on a 31-yard aerial; Simoens to Jacoby. Brady booted the points after the two final scores to make the count 27-0.

Magwa to the rescue.

McQuestion tries for yardage.



The calm before the storm.

Gary on the loose against Assumption.

ST. JOHN'S

The Squires made their first home game a happy occasion as they annexed at least a share of the conference title by defeating St. John's, 27-6. The first two periods were all St. John's but the homecoming-inspired Squires took over for the last two, soundly outplaying the Dutchmen and scoring four times after being behind, 6-0, at the half. The first score came with 47 seconds left in the second period as Little Chute ace Ron Weigman bolted over from the one, following a costly Squire fumble. The turning point came at the beginning of the second half. The Dutchmen took over shortly after the kickoff, recovering a Squire fumble and driving to the one where three thrusts were repulsed. Inspired by their goal-line stand, the Junior Knights drove all the way, 99 yards in 11 plays, Simoens driving over from the 9. Jim Brady added the point to give the Squires the lead at 7-6. Early in the final canto, Hank Jacoby rambled 33 yards to the St. John's 25, and on the next play Brady picked up seven for the Squires, scoring the TD and adding the extra point. After holding the Dutchmen again, Brady raced 44 yards for the third St. Norbert score, and with 59 seconds left in the game, Don Dahlke intercepted a pass and outran the entire Little Chute team 50 yards to rack up the final tally.

ST. MARY

In the second home game for the Squires, St. Mary Menasha proved to be a roadblock to the conference title, handing the Squires their first defeat, 21-6. Failing to gain following the kickoff, the Squires punted to the Menasha 14. It took the Zephyrs 13 plays to score, Don Otto going the final 13 yards. Shortly after, Bob Moran recovered a Menasha fumble on the enemy 14, but the Squires couldn't punch the ball across. Just before the half, a Zephyr interception led to another score, Dick Montonoti grabbing a 27-yard aerial for the score, making the halftime count 14-0. Early in the third period, Laux of St. Mary picked off a Squire fumble and carried it all the way to the Squire 4. Ken Resch plowed over for the third Zephyr tally and Jim McGinnis added his third extra point. St. Mary again worked the ball deep into Squire territory, but the Squires held on the 2. With two minutes remaining, the Green and White salvaged a little glory from an otherwise bleak evening, registering their only score. Gary Simoens, hampered by a bad leg all evening, tossed a 60-yard heave to end Jerry Klister, who carried the ball over.

Jake tries for yardage around end.

Kill the bum!

PREMONTRE

Winding up the 1956 season, a game but undermanned St. Norbert team went down to defeat before their powerful rivals from Green Bay by a 34-7 score. Early in the contest, the Junior Knights were forced to punt from deep in their own territory. Jim (the Bruiser) Brunette blocked the kick; it rolled out of the end zone for a safety. On the next series of downs, Del Allen picked off a pass, carried it to the Squire 18, and Brunette blasted over seven plays later, boosting the score to 9-0. St. Norbert stormed right back, registering its only score, Simoens passing 28 yards to Jacoby, Brady added the point. The Cadets took the kickoff and marched right down the field, Allen punching over from the one. With 10 seconds left in the half, Fabry tossed 6 yards to Konowalski to make the halftime score 22-7. In the last half, Premontre scored once in each quarter. Allen tallied the first on a 34-yard run, and the last came on an 8-yard earth-shaking run by Brunette, following a 69-yard march. The Squires' only threat died when a pass from Simoens to Tony Migas was ruled incomplete when it was caught out of the end zone.

Our loyal fans.

Catholic State Champs!

By virtue of a thrilling 50-47 victory over Pius XI of Milwaukee, the Squires captured their second consecutive State Catholic Championship, and their seventh in the series dating back to 1933. The road to the title was not an easy one for the Green and White, as they had to win five games against top-notch opponents. In the Premontre regionals they defeated Lourdes, 68-46, and then bumped off Newman, who had beaten them twice during the season, by a 54-36 score. In the quarter-finals at VanDyke Gym, the Squires squeaked out a 57-56 victory over St. Mary of Kenosha. Stu Jansen and Daryl Brost led the scoring with 15 and 14 points. Dave Seiger had 19 for the Blue Knights. The semi-final game did not prove very difficult for the determined Squires as they solved the ball-control tactics of the Assumption Royals and walked off the court with a 45-37 win and a berth in the State finals.

The Championship game Sunday afternoon found the Squires pitted against the towering Popes of Milwaukee Pius XI. The Squires, rated only an outside chance before the game, shot to a quick 21-8 first quarter lead. The attack fell off in the second quarter, however, and the Popes closed the gap to 29-25 at the half. Pius took the lead momentarily in the third period but lost it again as the quarter ended, 41-38, with the Squires in the lead. With Pius in the lead, 47-46, and but 14 seconds left on the clock, Gary Simoens stole a rebound off the Pius board, raced downcourt, and laid the ball through the hoop for the margin of victory. Later, he added two free throws to ice the ball game and again bring the Bishop Rhode Trophy to St. Norbert High. Congratulations were heaped on Assistant Coach Norb Vandelist and the boys for winning the title despite the fact that Coach Dillon lay in the hospital, paralyzed by a cerebral hemorrhage. The ARGOS wishes to add to these congratulations and thank the team and the coaching staff for bringing the State Title and the "miracle trophy" to St. Norbert.

Janse *can* get off his feet.

Hot action against Kenosha.

"Big Dufe" tips another.

Congratulations to a Great Team!

BOB WHELAN . . . Ballet star.

The pea just fell out of the referee's whistle.

YOU figure this one out.

I wonder who they're rooting for.

State Champion Squires present the Championship trophy to ailing Coach Dillon.

Stu shows 'em how it's done.

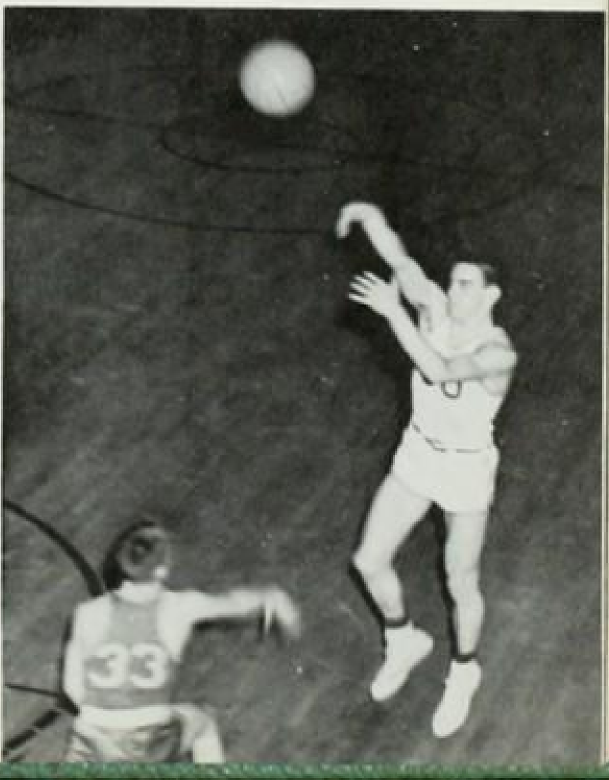
Simoens runs on straight icewater.

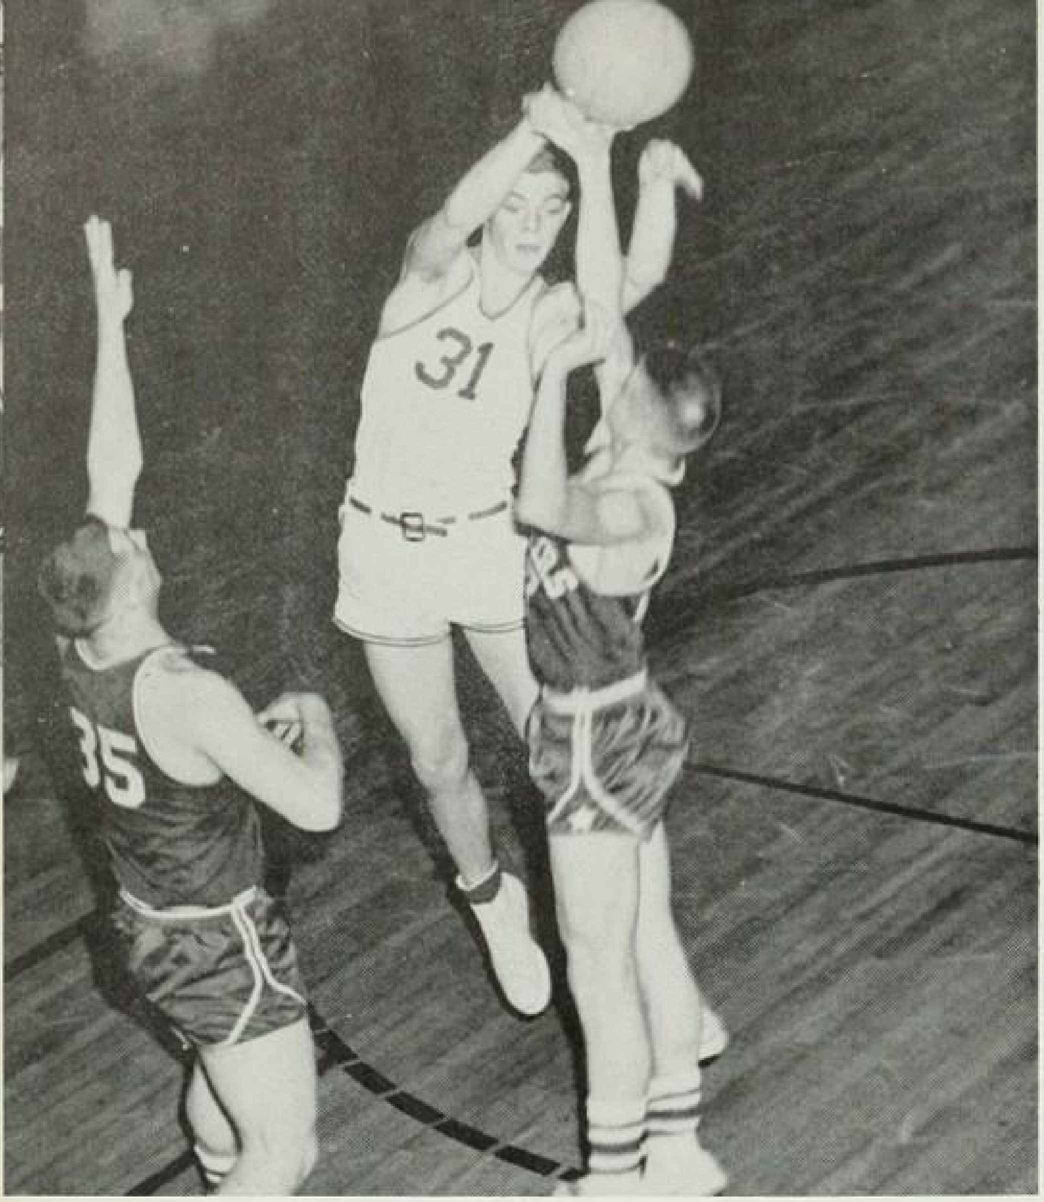
In their first game of the 1956-57 basketball season, the Squires of St. Norbert managed to eke out a slim 47-46 victory over the Dutchmen from Little Chute. Behind 46-41 with only one minute to play, the Squires put on a thrilling finish to pull it out of the fire. Gary Simoens led the scoring with 23 points. . . . West Green Bay was the second victim of the Squires by a 48-40 tally. It was tight all the way, but St. Norbert pulled away to win. Daryl Brost led a balanced attack with 12 points. . . . The Green and White picked up their second Conference victory at the expense of St. Mary Springs, 53-39. They ran up a 48-21 third quarter lead and coasted to the win. Stu Jansen and Gary Simoens led the way with 16 and 14 points respectively. . . . The Squires next visited Wisconsin Rapids where they defeated Assumption High by the score of 62-41. The regulars built up an early lead which the reserves held throughout the remainder of the contest. Tom Vande List topped the scorers with 14 points. . . . A last ditch rally fell short as the Squires absorbed their first defeat of the season, 54-51, at the hands of Newman High of Wausau. Behind at halftime, 34-20, the home squad fought back but couldn't quite close the gap. Vande List, Brost, and Jansen each tallied 10 points for the Squires. . . . Running up an early 33-21 lead at halftime, the Green and White held on during a strong finish by the Preble Hornets to annex their fifth victory of the year, 54-49. Bob Kobriger led the scoring for the Squires with 22 counters. . . . In their best performance of the year to date the Dillonmen blasted Lourdes by an 80-52 count. Coach Dillon cleared the bench after the varsity had run up a 40-21 halftime lead. Simoens led an evenly divided attack with 19 points. . . . In a see-saw contest the Squires edged their archrivals from Green Bay, the Premontre Cadets, by a score of 55-51. The Green and White jumped off to an early lead and managed to stave off a last-minute Cadet rally. Vande List topped all Squire scorers with 18, while John Fabry had 23 for Premontre.

"Pressure player."

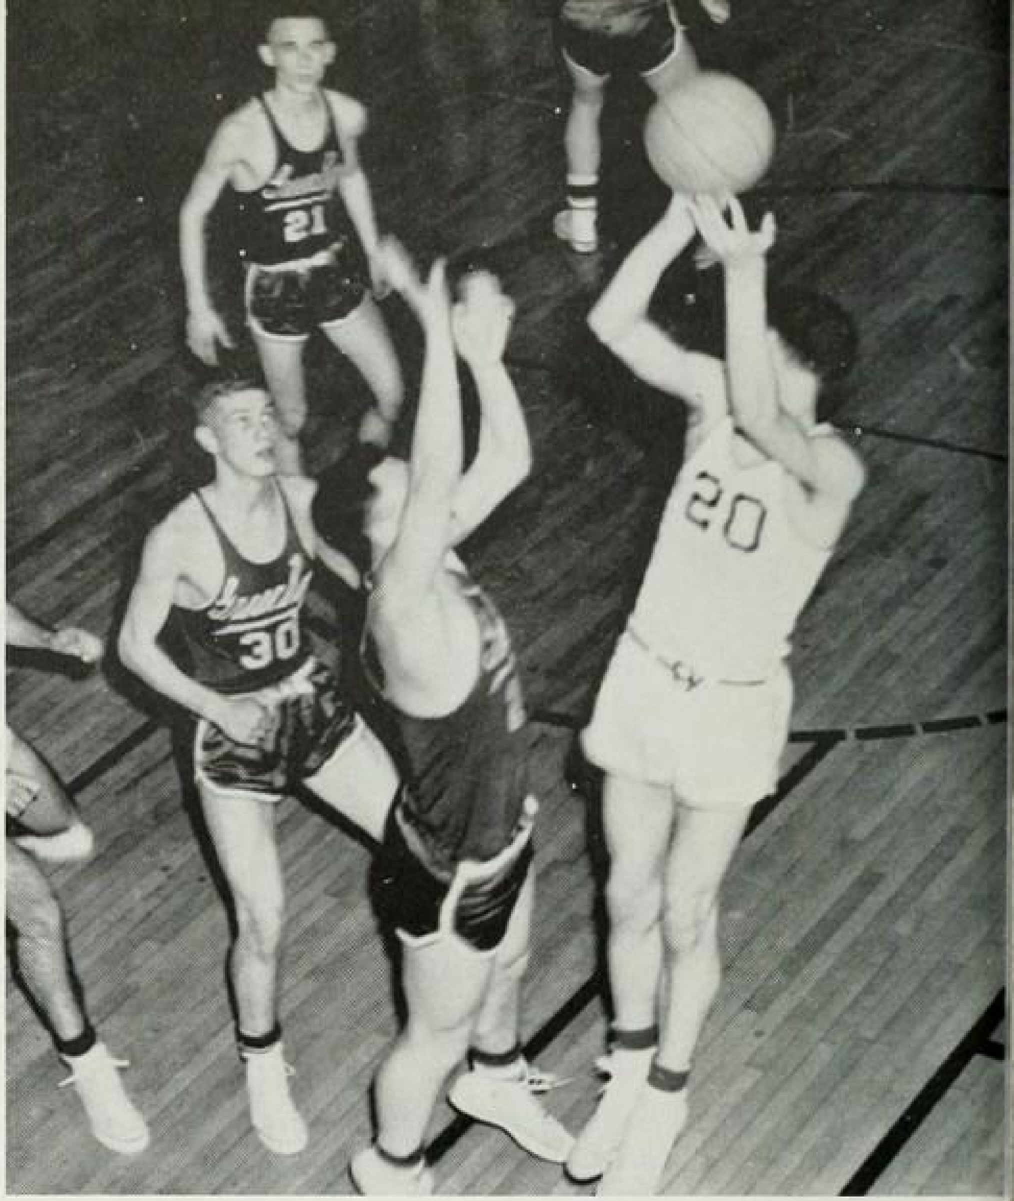
Big Tom blocks a Fabry shot.

Set-shot wizard Koby.





"Big Dufe" chills the Wildcats with his deadly jump shot.

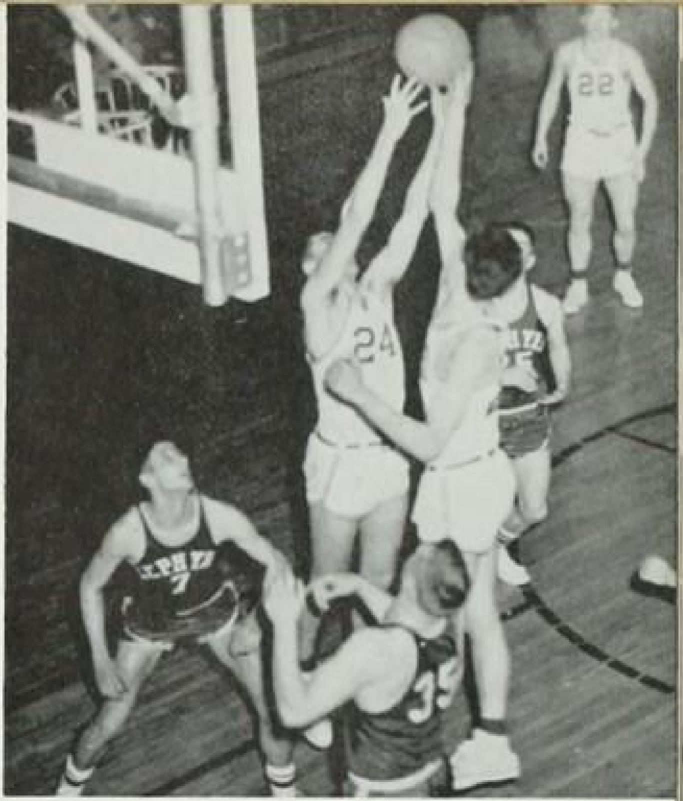


Jansen sets up a score against St. Mary.

The Squires traveled to Wausau to try to avenge their only defeat of the year, but were beaten again by Newman, 59-53. The Cardinals pulled out to an early lead and hung on to give the boys from DePere their second loss of the season. . . . With Tom Vande List leading the way with 27 big points the Squires racked up the Zephyrs from Menasha, 53-47. It was the high single game point total for a Squire and it broke the backs of the Menasha boys. . . . In a return match at the Preble gym the Green and White ran up a 28-9 lead at halftime and went on to defeat the Hornets, 52-42. Tom Vande List topped a balanced scoring attack with his 13 points. . . . Journeying to Marinette, the Squires again knocked off the Shamrocks to the tune of 62-41. Ahead, 33-16, at the half, coach Dillon cleared the bench and the reserves played the rest of the game on even terms with the Shamrocks. Simoens led the scoring with 23. . . . In the second encounter with the Wildcats of West Green Bay, the Squires again came out on the long end of the score, 50-33. After a rather close first half, the Green and White found their shooting eyes and ran away with the decision. Wilbur Schaefer was the top point getter for the Squires with 15. . . . Norb Vande List took over the reins of the Squires for the ailing Fred Dillon and guided his team to a 48-45 victory over the Dutchmen from Little Chute. Ahead by 10 points at halftime, the Green and White hung against St. John's fourth quarter rally to pick up the decision. Stu Jansen and Gary Simoens had 19 and 15, respectively, to lead the Squires. . . . In a thriller at the Premontre gym the Squires clinched a tie for the championship by virtue of a 50-49 overtime victory over the Cadets. Gary Simoens' bucket in the last few seconds of the overtime provided the margin of victory. All the boys entered into the scoring column with Simoens leading the way with 12 markers. . . . The Squires' perfect slate in Conference play was marred by a 52-46 jolt administered by the Zephyrs of Menasha St. Mary. With the score tied at 46-46 in the closing minutes, the Zephyrs ran up 6 straight points to deal the Green and White their first Conference loss. Simoens had 16 points while Dick Montonati cashed in 21 for the Zephyrs. . . . In their last regular game of the season, the Squires clinched the Fox Valley Catholic Title outright by defeating St. Mary Springs, 54-43. The Green and White left no doubt as to the outcome when they raced off to a 35-19 halftime lead. Stu Jansen led the pointmakers with 15.

Stu tries his hook shot.

Premontre—They couldn't beat us.



High-flying Squires leave the Zephyrs on the ground.

Freshman

This year saw the inauguration of a Freshman team at St. Norbert. Having an abundance of young basketball talent it was decided to form another team in order to enable more boys to gain experience. The experimental team was under the coaching of Joe Zimmer. The juvenile Squires competed with other Fox River Valley Catholic schools which also had Freshman teams. Although not too successful, the juvenile Squires showed plenty of promise and ensure a bright future for the varsity teams to come.

Squires' swifty Art Sinkula adds a run.

All the way in, Lax, go-go-go.

The Bob Rush of the FRVCC.

Watch your step.

St. Norbert began its 1956 baseball season by traveling to Wrightstown for a game with the Tigers. The Squires, led by winning pitcher Bob Mullen, triumphed, 7-1. . . . Journeying to Green Bay, St. Norbert annexed their second straight win at the expense of the Premontre Cadets, 4-0. The game was highlighted by Joe Mack's two-run triple, and a neat two-hit pitching job by winning hurler Bob Mullen. . . . In a home engagement the Squires entertained St. John's of Little Chute at Legion Park. With Bob Mullen pitching a neat five hitter, the Green and White picked up their third victory. . . . With Bob Clemens hurling the Squires to a 4-2 win over the Preble Hornets, St. Norbert picked up their fourth consecutive victory. . . . The Squires received their first setback at the hands of the Dutchmen from St. John's, 9-7. The Green and White fell behind early in the contest and a late inning rally fell short. . . . Rounding out the season, the Squires split a twin bill with St. Mary's of Menasha, winning the first, 7-5, and losing the second, 8-7. In the opener Bob Mullen went all the way for victory, assisted by circuit blasts by Tom Schoemacker and himself. In the second contest the Zephyrs jumped off to an early lead and held it to give the Squires their second defeat, even though Roy Sommers blasted a grand slam home run for St. Norbert.

There goes another coed.

Slide, Kelly, slide!

Scale Model Mickey Mantle.

This 1957 edition of the ARGOS is the result of many days of hard work. It is larger than the 1956 edition by four pages. Most students don't realize the planning and work that goes into this publication. Last summer, the moderator, Father Finnegan, and Editor Tony Migas had planned the cover plus the first 16 pages. As soon as school started Father Finnegan and freshman Bernard Bohl were busy taking pictures around the campus. These pictures were combined with the excellent sports articles by Mike Morris and Senior and Activity articles by Bob Clemens. Wilbur Schaefer and his advertising staff collected the advertisements and all the material was turned over to Tony Migas and his co-editors, Dick Egan and Paul Skibba, to be set up and shipped to the publisher. Also assisting the editors in the make-up department were Joe Skibba and John Coppens. The staff sincerely hopes that its work has served to give the students a yearbook of "State Championship" caliber.

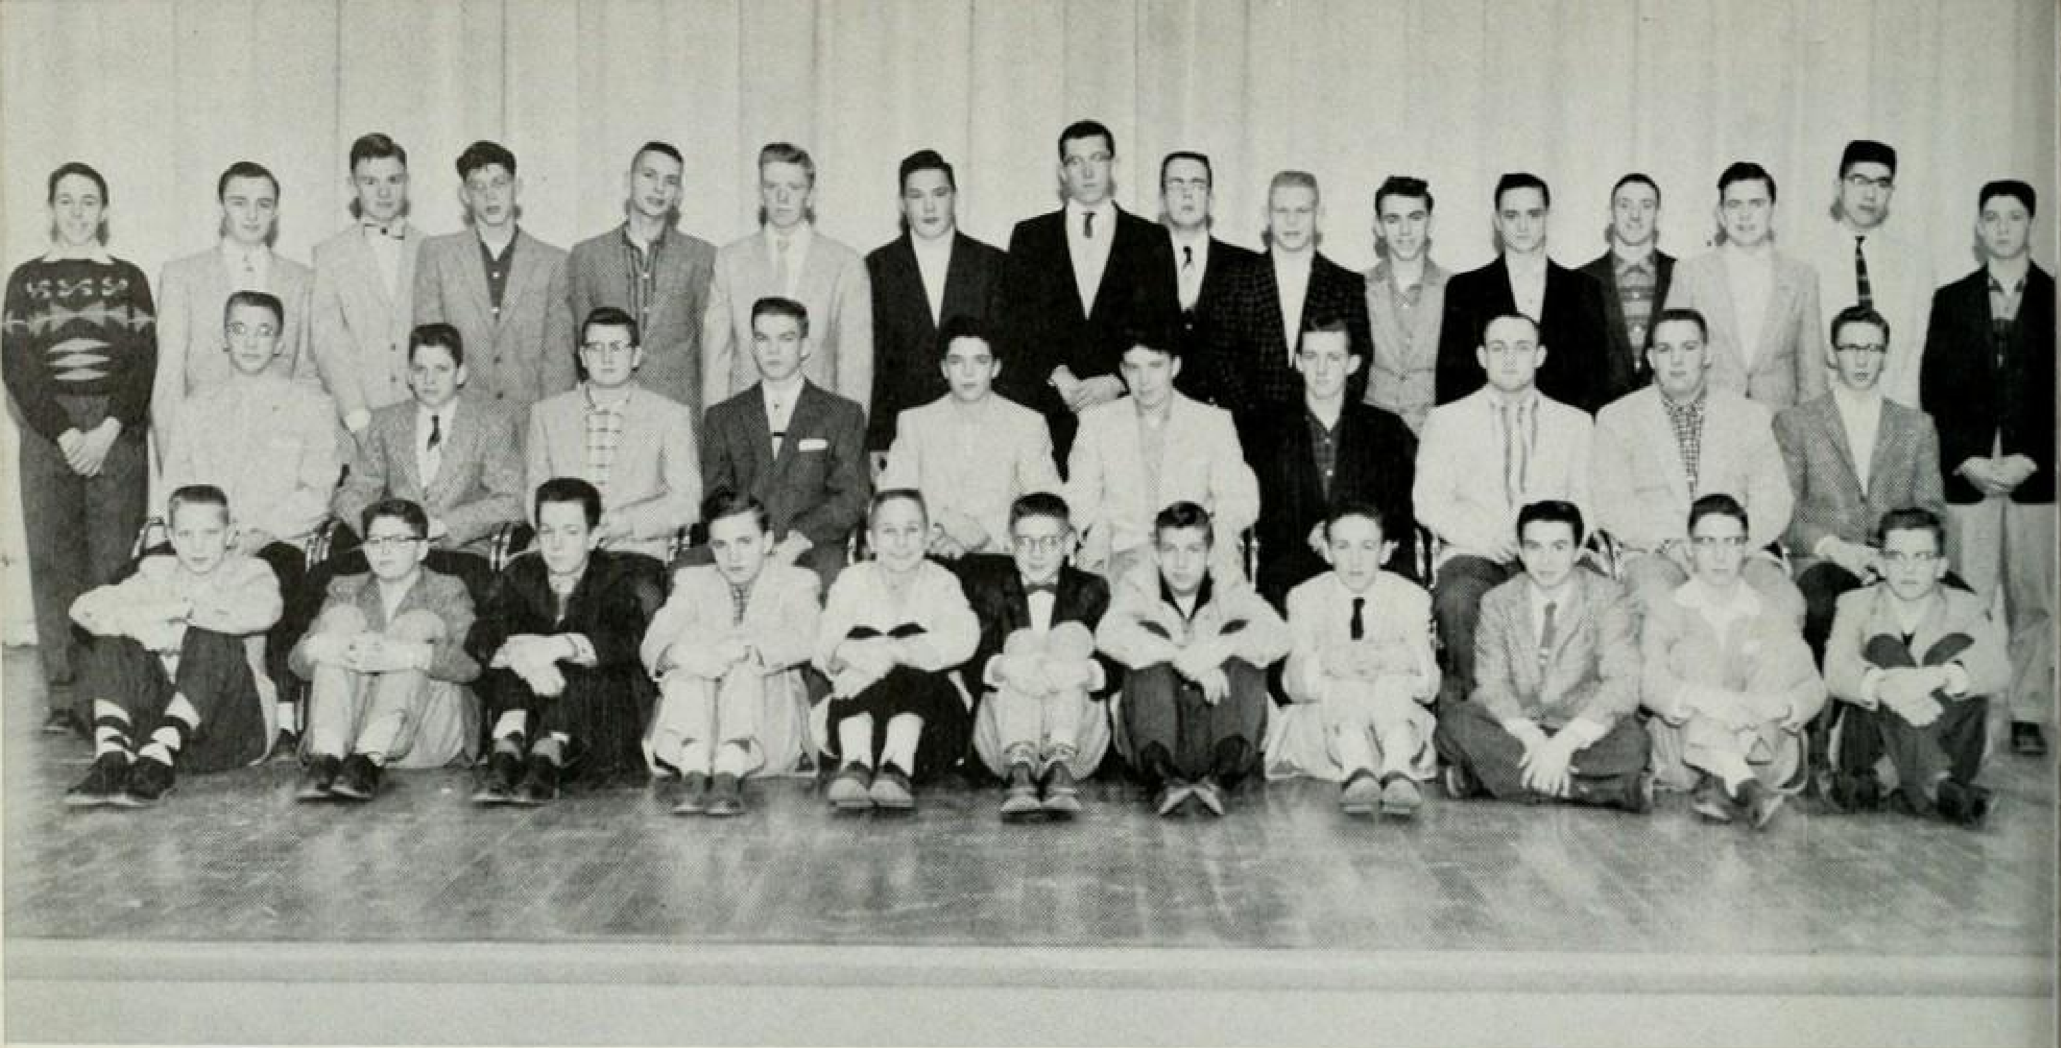
Lance magazine continued to be the official news publication of St. Norbert High for the second year. Previous to last year, the Hi-Times served this purpose. Lance has given its contributors a greater opportunity to show their writing talent. Each issue contained not only news around the school, but also short stories, essays, poems, written by staff members or other students who showed talent. As they did last year, Lance came out with a special issue honoring the State Catholic Basketball champions. One of the special features of each issue is its "cover story." This consists of a picture on the cover together with an associated article on some personality or event of interest to all Squires. Lance is moderated by Father Alfred McBride and edited by David Dibblee.



FRONT ROW: Bohl, Mullen, Lee, Hoffer, Bob Meli, Beck, Gilles, Theil, Piper, Tom Buechel, Kolata. MIDDLE ROW: Wilbur Schaefer, Meyer, Paul Skibba, Clemens, Ted Loesch, Laughrin, Parenteau, McQuestion, Gramowski, Francis VandeLoo. BACK ROW: Schmidt, Klinkhammer, Huhn, Green, Eslein, Snyder, Frigo, Burns, Dibblee, Tess, DesJarlais, Gutreuter, Baus, Krautkramer, Wieseckel, Prestigiacomo.

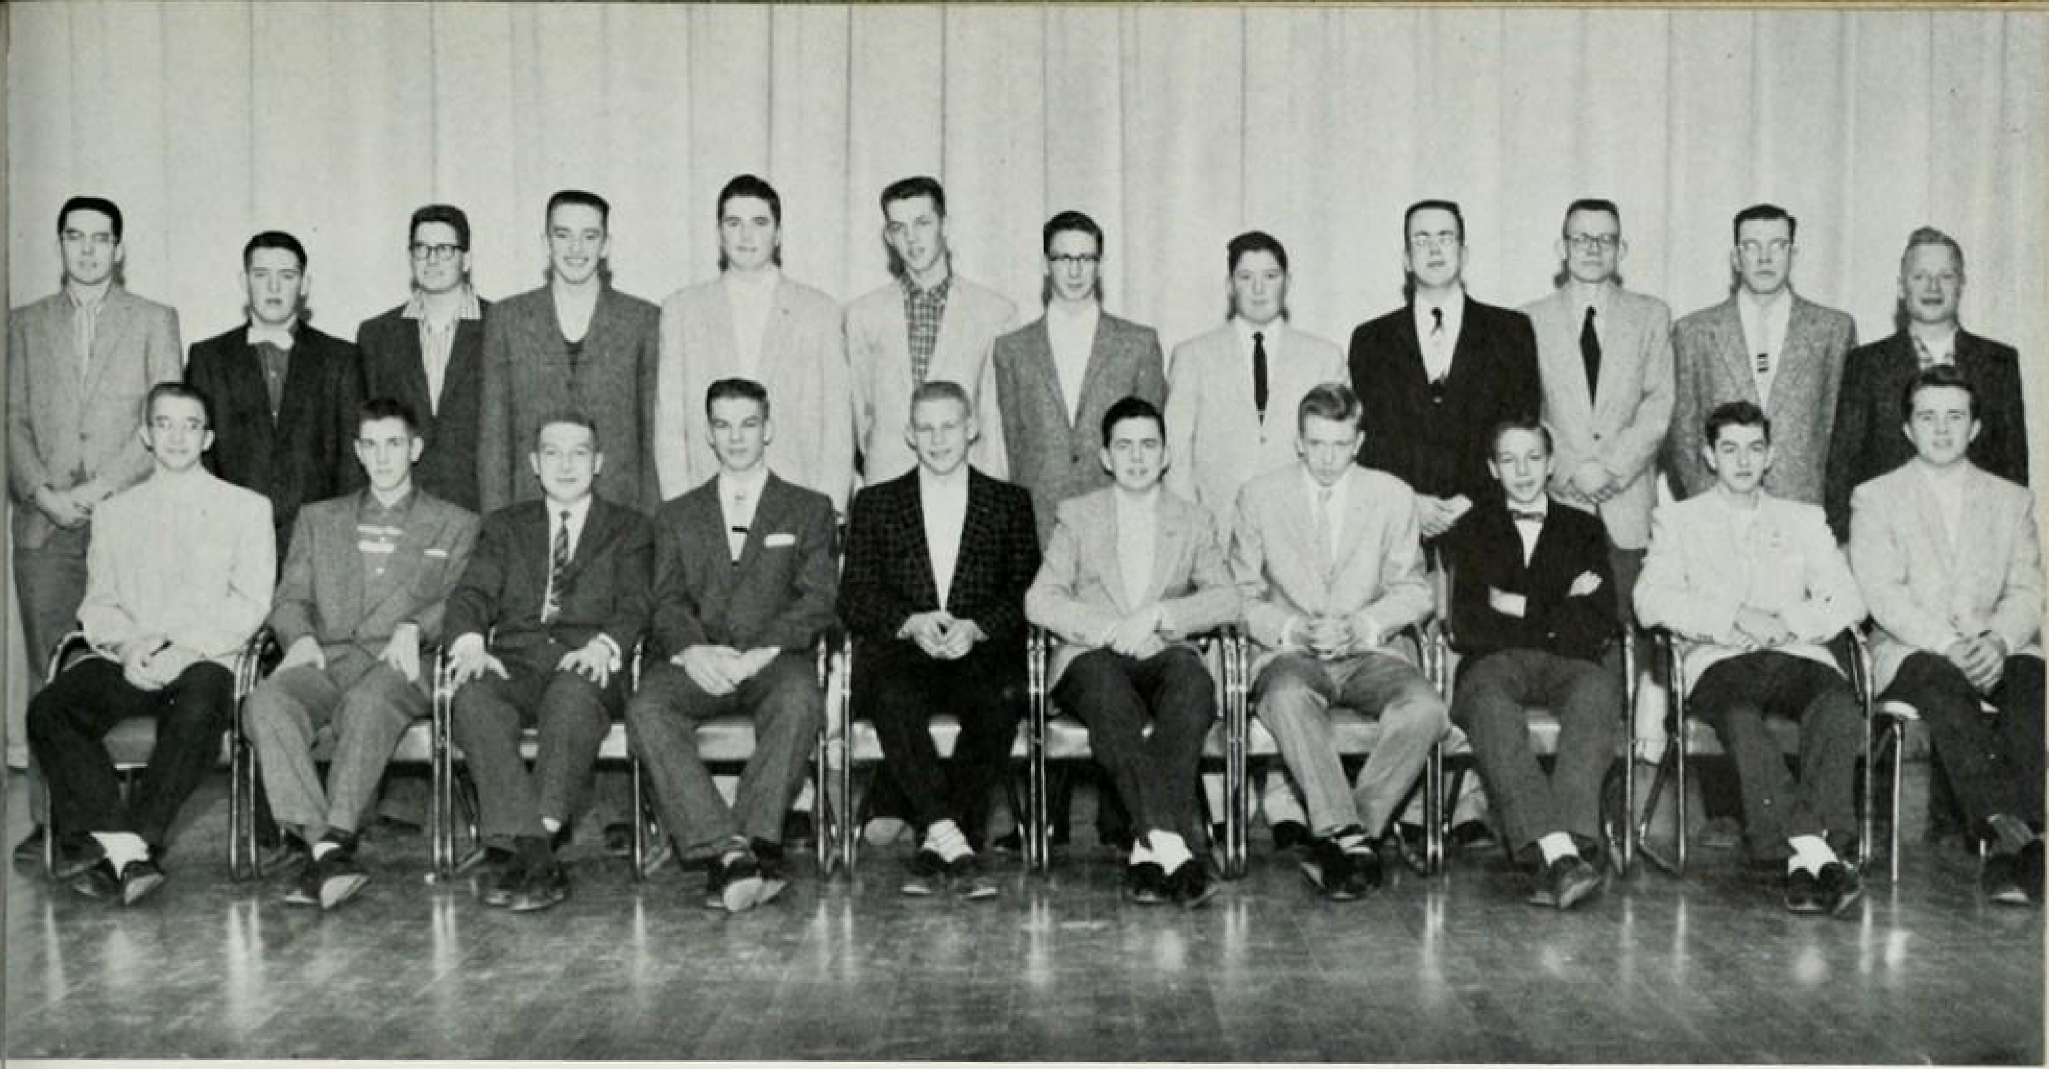
Officers of the Sodality: Dibblee, P. Skibba, Migas.

Sodality

Frank instructs some junior members of the Sodality.

Mary's growing role in past years is beginning to show clearly that the way to Jesus is through Mary. The Sodality, moderated by Father Robert Finnegan, strives to bring the world closer to Mary and gives its members a rule to assist them in leading good Catholic lives. It also inspires them to put their faith into action through Catholic Action.

With Anthony Migas as prefect; Francis Vande Loo, vice prefect; David Dibblee, secretary; and Paul Skibba, treasurer, the Sodality carried out an extensive and successful program in connection with the promotion of Catholic Action. The most successful was the observance of Catholic Youth Week, which included television programs, radio and window advertising, and a closing Holy Hour and Dance. The National Council of Catholic Youth assisted greatly with this project. Other programs included the observance of the Church Unity Octave, Fighting 69th Crusade, Vocation Days, and a Christian Spiritual Bouquet for the Holy Father. Through the year the Sodality studied the Spiritual Exercises of St. Ignatius as its "Spiritual" platform and discussed teen-age attitudes as its "Apostolic" platform. In all their work the Sodalists trusted in Mary for Mary can and will help us triumph in everything we do.



FRONT ROW: W. Schaefer, Kitz, Meli, Clemens, Tess, Krautkramer, Snyder, Van Lanen, Hermsen, R. Arnoldussen. BACK ROW: M. Morris, Egan, P. Morris, Armstrong, Klieforth, Pfeffer, F. Vande Loo, Naze, Diblee, St. John, Martin, C. Hockers.

Third Order

Officers of the Third Order: Naze, Williams, Vande Loo, Pfeffer.

Father Becker has a little talk with three members.

The Norbertine Order is the symbol of Christian unity that all men of good will would like to see effective all over the world. It was intended that its Third Order should, in as much as it could, carry out the work of the First Order. Its members have rules and regulations much the same as the First Order. Father Frederick Becker, in his first year as director of the St. Norbert High School Third Order, has helped the boys in his group do some very effective thinking in discussions on Encyclicals. Assisting Father in the work were Bob Williams, president; Dave Naze, vice president; Dick Pfeffer, secretary; and Frank Vande Loo, treasurer.

FRONT ROW: Daubner, Meyer, Robinson, Groneman, Ken Jadin, Fleege, Mullen, Bob Meli, Schmidt, Prestigiacomo. MIDDLE ROW: Wilbur Schaefer, Fitzpatrick, Paul Skibba, Gary Jadin, Drzal, Domask, Clemens, Boeser, Kneip. BACK ROW: Ready, Henkel, Wieseckel, Green, Frigo, Poplawski, Snyder, Parenteau, Gutreuter, Laughrin, Ted Loesch, Kerscher, Huhn.

Which end is up?

Knights of the Altar

Jadin—Our idea of what a server should look like.

This year many more St. Norbert men had the opportunity to assist at Mass in the National Shrine of St. Joseph. Father Craig handled the serving assignments which were carried out with conscientious zeal. The acolytes served in two-week shifts, serving the side and main altars one week each. Beside serving the 7:00 mass which was attended daily by the boarding students, they also assisted at Friday Benediction and First Friday Holy Hours. In assisting the priest, the servers benefited both spiritually and morally. Spiritually, they gained numerous graces from God. Morally, they strengthened their character merely by arriving at the sacristy on time. They also gained a well-rounded understanding of our services which will be invaluable in later life.

FRONT ROW: Boerner, Daubner, Schmidt, Jim McKune, Lee, Frank Skala, Kolata, Hermsen, Des Jarlais, Van Lanen. MIDDLE ROW: Jim Meli, Meyer, Paul Skibba, Clemens, Renn, Austin, Tess, Piper, Bob Meli, Theil. BACK ROW: Henkel, Huelskamp, Ray Heuvelmans, Klinkhammer, Terry McKune, Shoemaker, Snyder, Brenton, Kerscher, Goemans, Bob Buechel, Charley Hockers.

Rifle Club

Officers of the Rifle Club: J. Skibba, Renn, P. Skibba, Clemens.

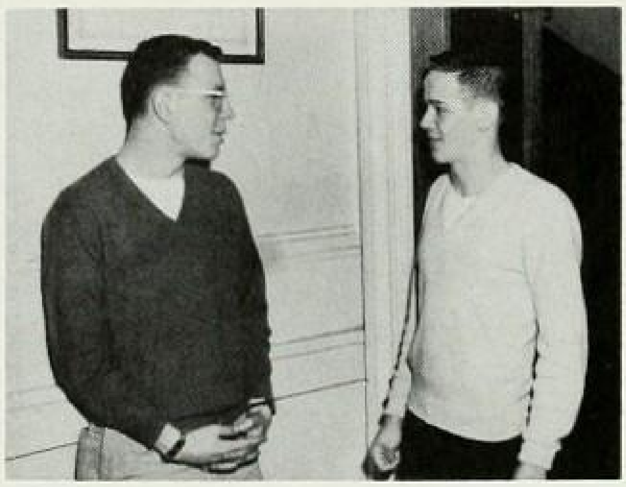
Rifle Team member, Bob Buechel, demonstrates the kneeling position.

Under the able joint directorship of Fathers R. K. Finnegan and R. R. Fenzel the Rifle Club has finally become a solid St. Norbert organization. With the large membership that this year brought, the club had to be split into two groups, junior members under the tutelage of Father Fenzel and the Match Team under the guidance of Father Finnegan. The club strives to teach the proper use of firearms and good shooting habits. The sharpshooters practice on the range located in the sub-basement of Van Dyke gymnasium. From this range the team can fire against any other team in the vicinity. Neither team has to move from its home range in an intricately developed postal match system under the auspices of the National Rifle Association. The Department of the Army has also been very cooperative throughout the year in the provision of ammunition. In this year's matches, the team has competed against St. Norbert College, Premontre High School, Campion Academy, and the Manitowoc Recreation Department rifle team, and gave its usual fine performance. The high points of the season centered about the Milwaukee Sentinel Matches and the Wisconsin State Championships at Madison. The boys found time between the various matches to work on NRA individual rankings. Bob Clemens achieved Distinguished Rifleman, the highest possible ranking, while Joe and Paul Skibba, as well as John Renn, completed the Expert Rifleman ranking.

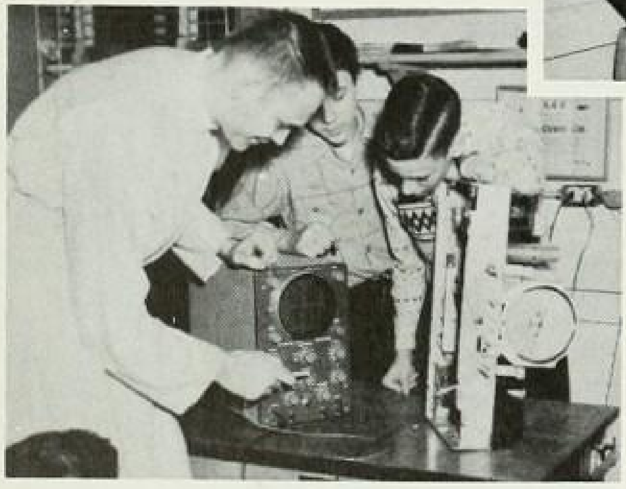
FRONT ROW: Klinkhammer, Snyder, Lindner, Laughrin, Austin, Groneman, Shoemaker, Frank Skala. BACK ROW: Schmidt, Eslein, Boerner, St. John, Martin, Gutreuter, Lefevbre, Manisco. Not present: Tomashek.

Radio Club

Officers of the Radio Club: Martin and J. Schaefer.

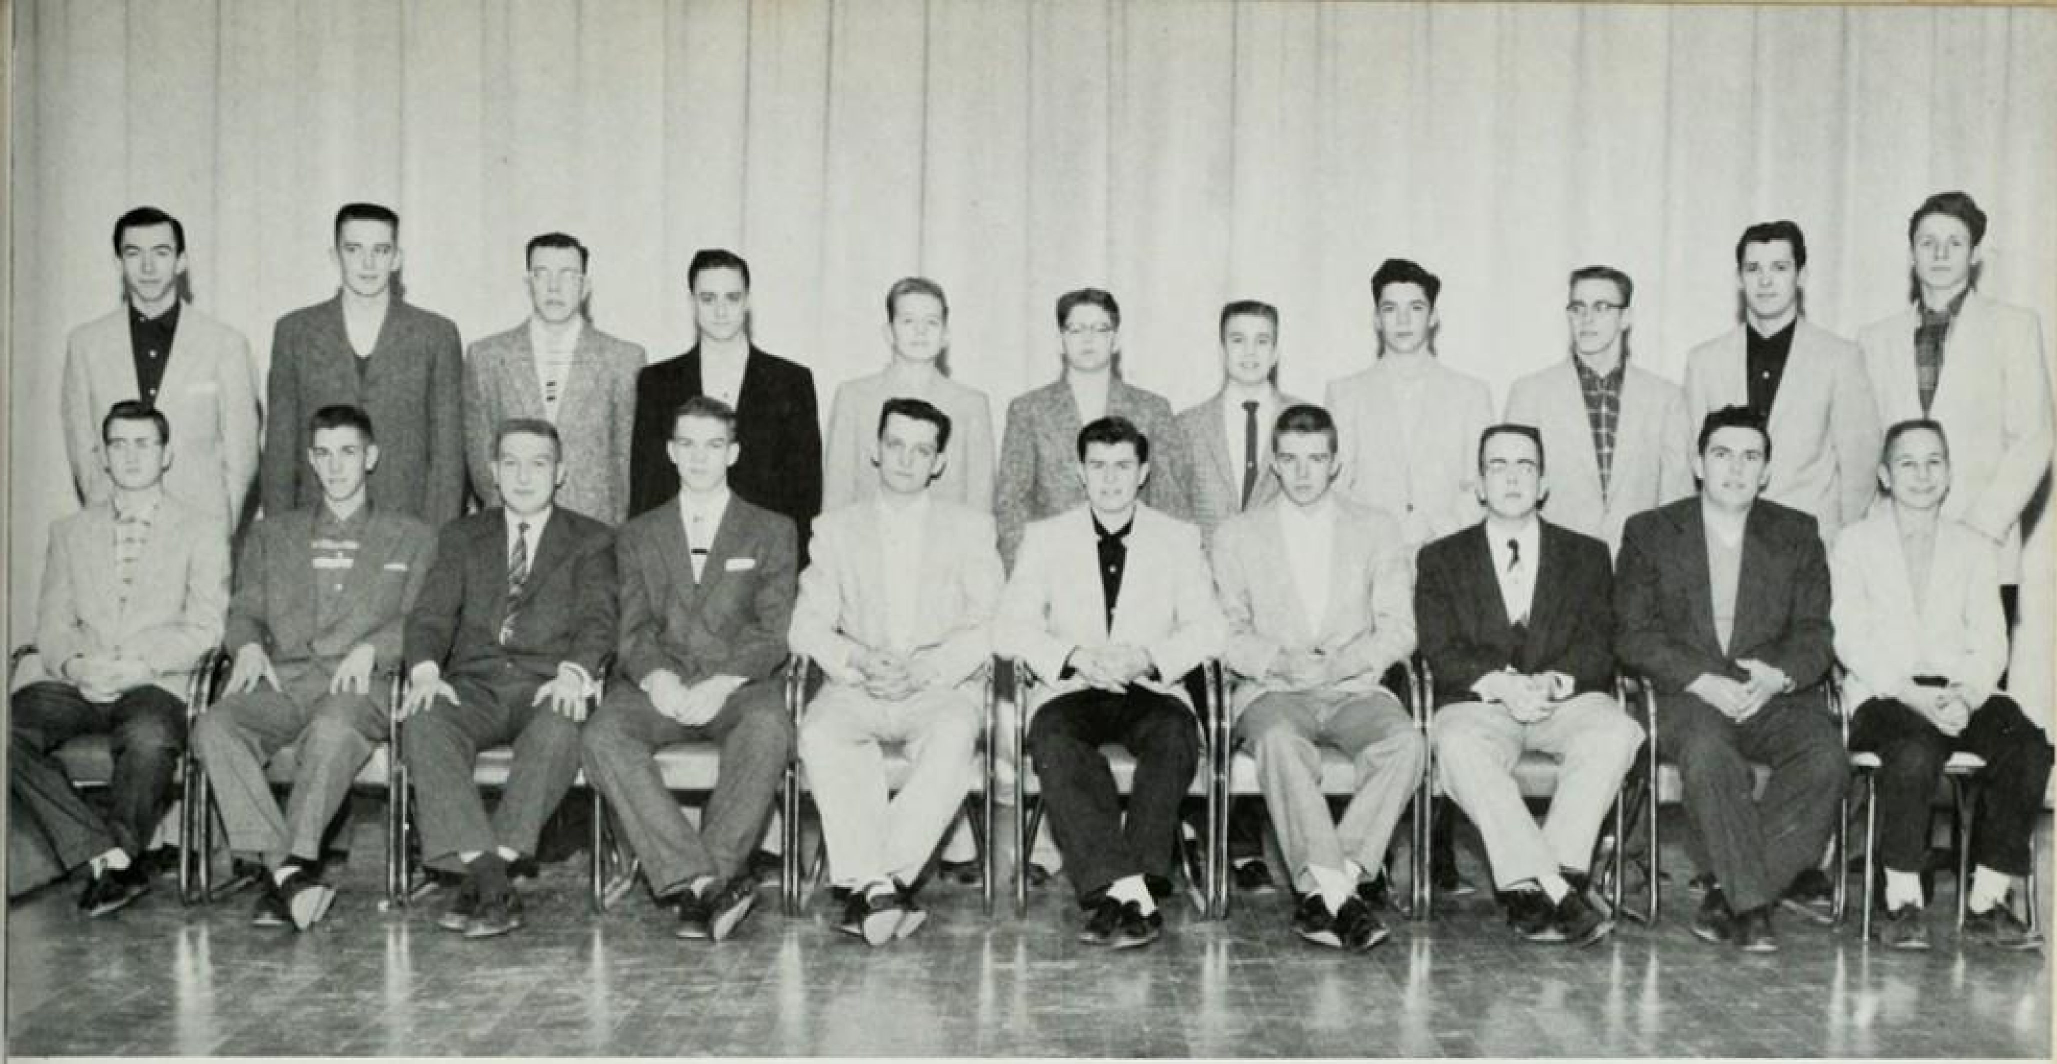


Brother Donald shows the freshmen his equipment.



The 1956-57 year marked the appearance of a new organization on the St. Norbert scene. The Radio Club, although small in size, is one of the most beneficial to its members. The ambitious group has spent the past year concentrating on the fundamentals of radio. The mastery of basic fundamentals and the Morse code has as its end the acquisition of radio operators' licenses for the members.

Brother Donald Zwarra is the club moderator. Under his leadership and guidance, the interest in the club has grown by leaps and bounds. Capably assisting Brother Donald were the officers: Chuck Tomashek, president; John Martin, vice president; and Gerald Schaefer, secretary. Bill St. John also deserves credit for getting the Radio Club off to a fine start in its first year of existence.



FRONT ROW: P. Skibba, D. Kitz, J. Meli, R. Clemens, D. Drzal, G. Jadin, J. Grimmer, D. Dibblee, J. Fitzpatrick, R. Meli. BACK ROW: C. Sustar, J. Armstrong, J. Martin, K. Gutreuter, K. Jadin, R. Mullen, J. Groneman, T. Loesch, L. Bureau, E. Poplawski, J. Domask.

Choir

Fortissimo!

"The Old Mill Stream."

Though our high school is well known in the sports world, our students do have other talents and singing is one of them. Under the direction of Father Craig, the choir has progressed rapidly. An appearance in the annual Christmas show provided a treat for everybody. The choir also sang Saturday morning Masses throughout the year. The singing of High Mass is meant to be the choir's main purpose. In doing so, at least its members can claim an active participation at Holy Mass. The singing of the various chants of the Mass is really another form of prayer. It is hoped that those who do pray in this way will gain a greater appreciation of our Religion, especially the Holy Sacrifice. Such singing is, without doubt, a reflection of true devotion to God and cannot help but bring upon this group His choicest blessings and graces.

Jimmy James and his boys fill the ballroom with mellow music.

Blue Fantasy 1956

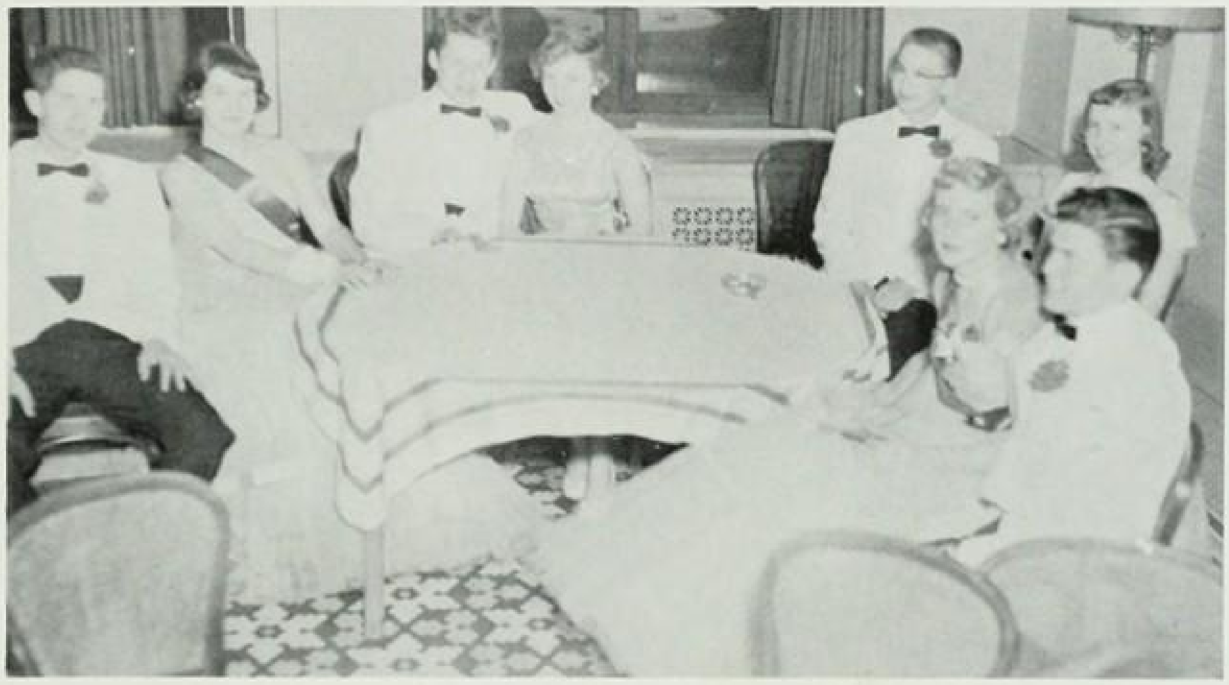
Prom Royalty 1956—Fitz and his lovely queen.

Queen's court.

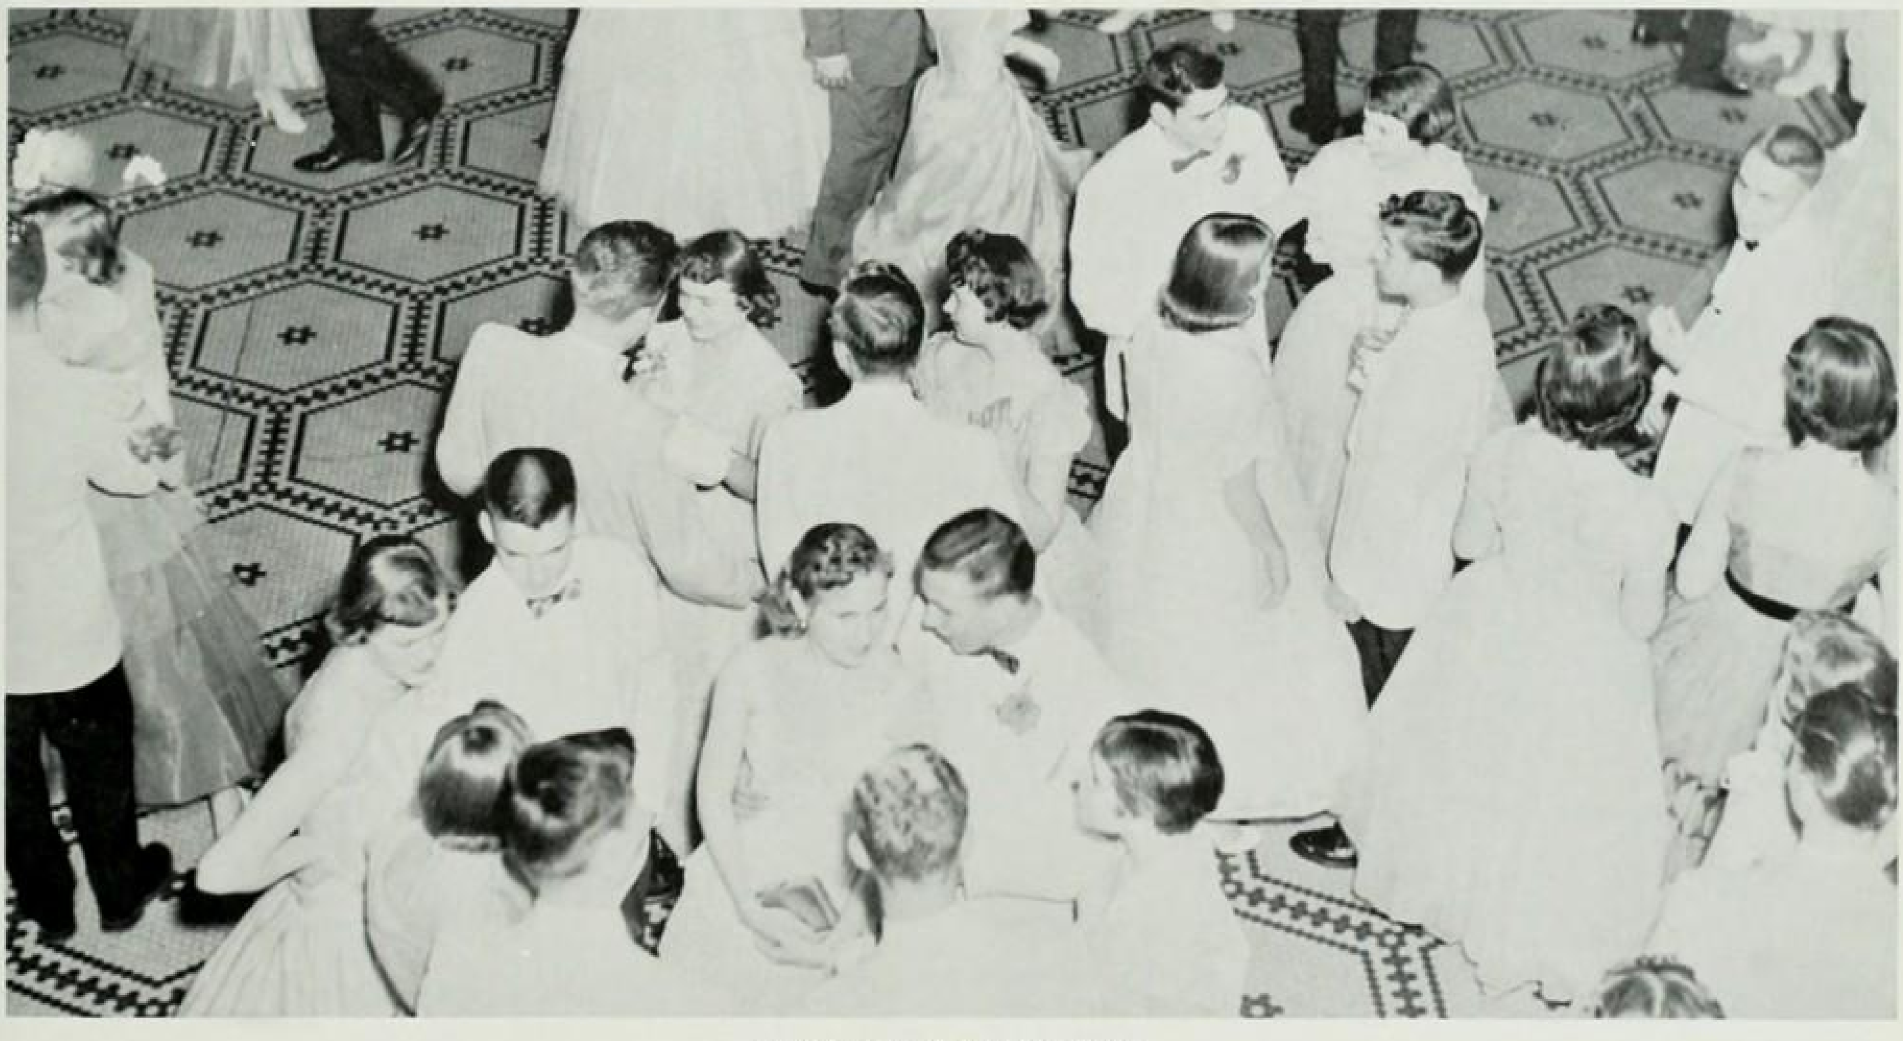
The highlight of the St. Norbert social season, the Junior Prom, was held May 11 in the Crystal Ballroom of the Northland Hotel in Green Bay. Music was ably provided by the Jimmy James Orchestra. Many weeks of preparation by Class President Jim Fitzpatrick and all the Juniors made the 1956 Prom a huge success.

The Grand March.

Don Baus and his date.



Set 'em up.



Aerial view of the 1956 Prom.

Dear Mike,

This place is real inspirational. I'm writing this by my closet light with the ironing piled high everywhere.

These past two years couldn't have ~~been~~ any passed more quickly or have been more enjoyably spent. I guess I was pretty harsh on you, and I now apologize. My first impression of you was... I thought you were conceited, careless, and a reckless driver. How time does change a person's opinion of another. You've really come a long way, honey, and have a lot of credit coming; if not here, in Heaven. How I prayed you would join the Sodality. I knew, then, you'd be a terrific sodalist if you made up your mind you wanted to be one.

As far as figuring me out, don't try. Because if I can't do it myself; how can anybody else.

I hope the girl you finally end up with, whoever she may be, appreciates + deserves the love and understanding only you could give her.

over

+ If everyone lived by your little motto; "Keep praying, and keep smiling, and even if your wishes don't come true, at least you've tried and that's all that really counts, since we're only human, but if you try hard enough; God will never let you down", how wonderful it would be, on this earth, for everyone.

Remember, Mike, whatever God decides it's because he loves us, no matter how hard or unkind it may seem to us at the moment; it's for our own good.

Your one big wish is mine too, I just hope God sees fit to give it to us.

Love,
Jan

P.S. Stay as good as you
are now, Mike, and
God will bless you always.
